

## **ADDENDUM ACKNOWLEDGEMENT**

### **NOTICE**

*It is the sole responsibility of the bidder to ensure that it has received any and all Addenda and MTWB may at its own discretion reject any bid for which all Addenda have not been executed and returned*

### **ADDENDUM #2**

**Issued June 26, 2020**

**Project Name: Waterloo Playground Renovation Project**

**Project Description: Site Improvements**

### **IS AMENDED AS FOLLOWS:**

- 1. Addendum is posted on the MTWB website and is accessible by all known to have been registered for bidding on this project. Each Bidder shall ascertain prior to submitting their Bid that Bidder has received all Addenda issued, and shall acknowledge their receipt in their Bid Response.**
- 2. Attached Question and Answer Sheet dated June 26, 2020**
- 3. Revised Bid Form- same as in Addendum #1. The Bid Form was not attached to the other Addendum #1 documents.**

**END OF ADDENDUM**

**ADDENDUM #2 - June 26, 2020**  
**Waterloo Playground Renovation Project**

**Questions and RFI Log with Design Team/City Responses**

**Note: Questions 1-35 are in Addendum #1**

*Q36. The Utility Plan is calling for VCP Pipe. Would you accept RCP in lieu of VCP?*

A36. No, VCP Pipe is required.

*Q37. There is mention on the Demolition Plan and Utility Plan for the existing egg shaped sewer to be lined. There is no specification or delineation on the drawing as to where this work begins and ends. Is this being performed by others?*

A37. Lining of the existing sewer was already completed by PWD.

*Q38. Please provide a schedule of drainage piping and structures with sizing, material and invert elevations as there is not enough information provided on the L-105*

A38. See chart on L-105 and sections with inverts and additional detail on L-200.

*Q39. Please confirm the 40 mil impermeable liner is only to be installed in the Infiltration Basin and at locations in the Tree Trench where there are existing pipe laterals and not the entire length of the trench.*

A39. PWD has requested the impermeable liner be provided across the lengths of the east and west vertical sides, as indicated on L-105.

*Q40. Are the slats for the DuMor Benches to be Douglas Fir or Composite?*

Q40. Douglas Fir

*Q41. What is the specification for fencing replacement along the pool? Epoxy-coated as in the PPR spec or uncoated to match the existing pool fencing?*

A41. If the complete fencing is not being replaced at the pool, then contractor should match the existing fencing.

**SECTION 3  
 BID FORM  
PROJECT NAME  
**WATERLOO PLAYGROUND****

This is a complete Bid and shall not be separated. If any sheet or sheets are detached when submitted as a Bid, Make the World Better Foundation (MTWB) reserves the right to reject the Bid. The undersigned proposes to provide all labor, services, materials, equipment and incidentals required to perform and complete the work as described in the project plans and specifications and in strict accordance with all applicable federal, state and local regulations. **It is the intent of MTWB to issue a Notice of Contract Award to the lowest qualified and responsible bidder per DCNR requirements.**

I, the undersigned Bidder, hereby propose to furnish all labor, materials and equipment, perform the whole of the work, and submit to all conditions, as represented, intended and implied, both particularly and generally, by the Plans, Special Specifications, Standard Specifications, Standard Details, Standard Contract Requirements, Form of Agreement, the Ordinance authorizing the work and this bid at the prices herein stated, and agree that each item bid shall be complete in itself.
